### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the prior art of record does not disclose or fairly teach an outer ring portion comprising at least one clamp, said clamp being operable between an unclamped position retracted from a workpiece and a clamped position in contact with a workpiece wherein a the workpiece is clamped against said mounting surfaces, said outer ring being rotatable about said axis of rotation. For example. GB '512 discloses the claimed structure, but the outer ring clamp does not contact the workpiece at any time.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
